

Flexso Accelerator for SuccessFactors

RECORD TIME-TO-VALUE

New technologies, shifting competences, increased automation... SAP SuccessFactors helps you tackle these challenges and use your workforce to its full potential. However, when implementing the software, unpredictable costs, customization demands and other challenges lure around the corner. The Flexso Accelerator for SuccessFactors keeps you on track.

WHAT IS FLEXSO ACCELERATOR FOR SUCCESSFACTORS?

An all-in-one solution that **STANDARDIZES AND STREAMLINES** the implementation of SuccessFactors in your organisation, enabling you to go live on-time and on-budget. Qualified by **SAP**, the Accelerator combines **PREBUILT SOFTWARE PACKAGES** that cover the entire SuccessFactors portfolio, with **BEST PRACTICES** for a wide range of processes and topics. The result? Easy implementation at a fixed price and in a record time – to ensure quick value.

FOR WHO?

- Small and medium-sized to large businesses who need to be up and running quickly
- Any customer who wants to make a jump start

HOW DOES FLEXSO ACCELERATOR FOR SUCCESSFACTORS HELP?

CONTENT

SOFTWARE

SERVICE
